

# HOSE CLAMP

## CCDU-101 HOSE CLAMP DISPLAY

- Conveniently displays an assortment of the most popular Cambridge hose clamps
- Provides an attractive countertop platform for Point-of-Purchase merchandising
- 32" H x 25" W x 6" D
- Available in all STANDARD SERIES Hose Clamps

### ASSEMBLY INSTRUCTIONS:

1. Insert hose clamp hooks into mounting holes on the front of the display.
2. Each pair of mounting holes has a number above or below it. The number corresponds to the SAE size of the hose clamp intended for that hook. Hang 10 or more pieces of each size clamp on each hook.
3. Place hose clamp boxes into the compartments as suggested on one of three configurations shown on the back of the display. Or create your own personal configuration.
4. To mount the display on a pegboard, insert the pegboard mounting hooks into pegboard approximately 15" apart. Place the display onto the mounting hooks so that the two hooks are equidistant on both sides of the display.

### CONTENTS:

- (1) Polystyrene Display
- (2) Pegboard Mounting Brackets
- (14) Hose Clamp Hooks
